### HOW TO USE

**Mankani**  
**HAIR BUILDING FIBERS**  
In seconds make your hair look fuller and thicker  
Net Wt.: 25g

**STEP 1**  
Before use, you should wash, dry and arrange your hair.

**STEP 2**  
Gently shake the bottle at a 45-degree angle and evenly sprinkle it on the desired area.

**STEP 3**  
Gently tap the surface of the hair to blend the fibre powder with the hair. (This will also improve the visual effect)

**STEP 4**  
If you wish you can apply a small amount of hair spray or water spray on top of the applied area. This will help the fibers blend faster with your existing hair.
